Right on time for the start of the holiday season, **the museum portal www.museen-in-bayern.de of the Bavarian Museum Service is now also available in English.** Under the motto **"Discover Bavaria's Museums!"**, the platform invites you to explore the rich Bavarian museum landscape.

URL of the English version of the museum portal:
www.museumsinbavaria.com

The English-language museum portal serves as an **international guide**, providing information on the **approximately 1,300 museums, exhibition centres and museum-like institutions** in the Free State of Bavaria. Collection-specific, seasonally and regionally themed portals offer easy access and provide a comprehensive overview of local offers and exhibitions.

The [blog](#) integrated into the website presents exciting stories about the objects and people in the museums. And nothing stands in the way of a spontaneous museum visit: **information on accessibility, opening hours and directions** can be conveniently accessed via all end devices.

The contents of the museum portal are **accessible to all**, making the website of the Bavarian Museum Service one of the leading public websites in Bavaria.

All information about the museums and their offers on www.museumsinbavaria.com is available under an **open licence for further use (CC-BY attribution)**. This can be accessed via an [interface in the BayernCloud Tourismus](#) of the **Bayern Tourismus Marketing GmbH** together with other tourism data.

We wish you lots of fun while browsing! **Images and press releases** are available in the [press section of the Bavarian Museum Service](#). For further information and enquiries, please do not hesitate to contact us.
